Get Started

VISION

About Organization

Dr Satish Gogulwar and Ms Shubhada Deshmukh moved to Kurkheda and formed Amhi Amchya Arogyasathi a non-profit organization in the year 1984 with the objective to address the issues of the community related to women, tribal and dalit, through the community empowerment approach of "Lets find our own way".

Our Vision

An Organized dynamic community which has internalized justice and equity as its basic tenements and sensitive towards all life forms.

मार्ग शोध्या, जीवन आपुल सुखा क
लोगो के पास जाओ
उनके ज्ञानको प्रस्थान बिंदू मानो
उनके ज्ञानपर विश्वास करो
उनके साथ काम करो
अच्छा काम वह माना जायेगा
जब काम पुरा होने पर लोग कहे
की यह हमने किया है।

Overall Impact

Since its inception in 1984, **Amhi Amchya Arogyasathi** has created a transformative impact across five major thematic areas — *Health and Nutrition, Livelihood Development, Women Empowerment, Child Protection and Education, and Inclusion of Persons with Disabilities*. The organization has reached approximately **145,000 beneficiaries** across **Gadchiroli, Chandrapur, and Nagpur districts of Maharashtra**, covering more than **2,200 villages**.

Through its multi-thematic community-driven approach, the organization has:

- Improved **maternal and child health outcomes** by reducing malnutrition by 15.3 percent, 80 percent reduction in anemia.
- Enabled **sustainable livelihood opportunities** for over **11,000 households in 131 villages**, generating 500 Cr income through **agroecological farming, goatery, poultry, fishery, and NTFP-based enterprises and convergence of 450 Cr**.
- Empowered **4500 rural and tribal women** through leadership training, collective enterprises, and participation in governance and natural resource management.
- Promoted **child rights and education** by strengthening family-based care, after-school learning, and life-skill programs among **35000 children in 350 schools**.
- Advanced **inclusion and economic empowerment of persons with disabilities** through community-based rehabilitation, skill development, and formation of federations and producer companies benefiting **8000 persons with disabilities in 4 states**.
